Hi Chris,

I briefly scanned your updated Title VI plan and your updated EEO plan and it appears to contain all the essential elements.

Be advised that DRPT is putting together a scope of work for a contractor to ensure all the 5311 and 5310 Title VI plans in the Commonwealth are updated in 2018 so don't be surprised when the consultant comes calling later this summer.

It would appear, due in large part due to your proactive nature, that the consultant should have no troubles with JAUNT.

A huge thanks for your proactive Title VI efforts!

Mike
